

Juvo Technologies Accessibility Feedback Process

Introduction

Juvo Technologies is committed to ensuring that all individuals, regardless of their abilities, have access to our telecommunications services. We value your feedback on any accessibility issues you encounter. This document outlines the process for submitting accessibility feedback and the steps we take to address it.

How to Provide Feedback

Online

You can provide feedback through our online feedback form available on the Juvo Technologies website. Please visit www.juvodaytoday.com/AccessibilityFeedbackForm and fill out the required fields.

Email

You can send your feedback via email to our dedicated accessibility support team at support@juvotec.com. Please include as much detail as possible about the issue you are experiencing.

Phone

You can provide feedback by calling our accessibility support line at 888-300-1853. Our support team is available Monday to Friday, from 8 AM to 5PM CST.

Mail

You can send your feedback by mail to the following address:

Juvo Technologies

518 N Main Street

Hattiesburg, MS 39401

Information to Include

When providing feedback, please include the following information to help us address your concerns more effectively:

- Your contact information (name, email, phone number)
- Description of the accessibility issue
- Date and time the issue occurred
- The platform or service where the issue was encountered *e.g., website, phones service, etc.)
- Any steps you have taken to resolve the issue yourself

Feedback Process

1. **Acknowledgement:** Upon receiving your feedback, we will acknowledge receipt within two business days. You will receive a confirmation email or phone call.
2. **Investigation:** Our accessibility support team will investigate the issue. This may involve collaborating with relevant departments or external partners to understand the root cause and potential solutions.
3. **Resolution:** We aim to resolve accessibility issues promptly. Depending on the complexity of the issue, resolution times may vary. We will keep you informed of our progress and any actions taken to address your feedback.
4. **Follow-up:** Once the issue is resolved, we will follow up with you to ensure that the solution meets your needs and that you are satisfied with the outcome.

Commitment to Improvement

Juvo Technologies is dedicated to continuous improvement in accessibility. We regularly review feedback and identify trends to enhance our services and ensure compliance with accessibility standards and regulations.
